To Whom It May Concern:

My name is Mickeala Boyd, and I am writing to be considered as teaching candidate in your district. I am a graduate student at Dakota State University, majored in Elementary and Special Education. I also have a technology minor, reading minor, and am looking into getting my volleyball coaching endorsement. I am looking forward to this teaching opportunity.

I feel my skills, teaching philosophy, and experience have prepared me to be an excellent teacher for your district. I excel in elementary and special education content knowledge as well as teaching approaches. My strengths are organization, perseverance, and enthusiasm in the educational growth of students. My coursework at Dakota State University has prepared me to promote students with a positive view on learning and a foundational understanding of elementary school course standards. My experiences have been equipping me with technology tools and helpful programs for learning. I would also be interested in helping support students in every aspect and creating teacher bonds in you district.

It would be an honor to be considered as a teacher candidate for your district. Thank you for your time and consideration. I look forward to hearing from you.

Sincerely,
